FROM: Mr. J. J. Schatz
City Clerk

SUBJECT: Elimination of Fire Inspections of Selected Licenses

BACKGROUND:

The Hamilton Fire Department has conducted a review under their continuous improvement program in regards to the types of premises their Department inspects prior to being licensed.

The review concluded that public safety would not be jeopardized by removing certain specified establishments from inspections as a pre-condition to issuing of a licence.

Attached for you information is the proposal from the Hamilton Fire Department which the City Clerk's Department supports. Chief Fire Prevention Officer, Jim Winn will be in attendance to address any concerns you may have regarding this matter.

SUBJECT: Non-circulation of various licenses

DATE: 7 October 1996

A review has been conducted of the types of premises being licenced and the necessity for our Department to conduct inspections as a pre-condition to some of these establishments being licenced. This review concludes that public safety would not be jeopardized by removing the Hamilton Fire Department from the licensing procedure for certain specified establishment licences. These specific establishments are inspected by trained fire suppression personnel as part of our Department's in-service commercial inspection program approximately once every 2-3 years. Specific hazards identified through other channels (complaints, etc.) would still be corrected by Fire Prevention Bureau staff through enforcement mechanisms provided by our governing legislation.

The premises recommended for removal from Fire Department circulation prior to issuing the relevant licence are not "high risk" or "high occupant load" occupancies and do not present a large risk to the public in terms of fire related matters. In fact, the large majority of these licence types are returned to your Department following an inspection with "no requirements."

The list is as follows:

- amusement machines
- bakeshops
- body rub parlours

- cont'd -

- butchers
- foodshops
- fresh fish
- garages (A, C, D, E)
- pawnbrokers
- second hand
- steam baths
- carnivals
- amusement rides

Using 1995 figures, this will result in 194 fewer licences being circulated to the Fire Department for inspection prior to licence approval. The time saved by our Department in not being circulated for inspection on the above noted types of licences can be more effectively used to inspect higher hazard type occupancies, to avoid duplication of inspections by prevention/suppression staff and to meet other more important priorities for ensuring overall fire safety in our community.

It would be appreciated if you could institute the necessary action through the City of Hamilton Licensing Committee for this request to be approved and proceeded with as expeditiously as possible.

If I can provide any further information regarding this matter to yourself and/or the Licensing Committee, please contact me.

DATE: 1997 February 4

REPORT TO: Mrs. Stella Glover, Secretary
Licensing Committee

FROM: Mr. J. J. Schatz
City Clerk

SUBJECT: Taxicab Priority List

RECOMMENDATION:

That the City of Hamilton's Taxicab Priority List be amended to reinstate the following two individuals on the list:

- | | | |
|----|--------|--------------|
| 1. | 82.2.1 | Philip Dales |
| 2. | 83.2.2 | Ronald Geer |

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

N/A

BACKGROUND:

Philip Dales and Ronald Geer have been on the Taxicab Priority List since 1982 and 1983, respectively.

Mr. Dales and Mr. Geer stated that they did not receive the notice that City Hall would be closed from December 25, 1996 to January 2, 1997. Each of these individuals attended City Hall during that time to renew their name on the Priority List, but were unable. They attended City Hall on January 2, 1997 and were informed by staff that their name had been removed from the Priority List and would have to submit a letter of explanation, respecting this matter, which would be considered by the Licensing Committee.

Stella Glover
Secretary
Necroscopic Committee

Dear Stella

I have been driving Taxi for 20 years, and have been on the Taxi Priority list since 1981 the reason I have not got into paying for the yearly fee for being on the list is because I have had marital problems and in September 1996 I did not pay the \$100.00 for the list, so I had to wait for Xmas. During that time I had the \$100.00 fee to pay. But I found out that City Hall was closed for the temporary period of Xmas. A fellow that I met outside the city hall, I did not get his name that was kind of stupid but he said they ~~was~~ had added an ~~extension~~ extension of period of time on 20 people that had the money then would be able to pay it off. So I came up the day after New Years and the girl at the front desk said that I had to write you a letter and that she could not take my money. I did come up to the office before

the 30th day of December with cash.
So I had to come back later and that
is when the girl at the front desk
said I had to write you a letter.

Yours Truly
Phil Wale

Attention Dave Wilson

When I tried to renew my name on the taxi priority list, City Hall was closed until January the 2nd 1997. Not being a licensed taxi driver in Hamilton I did not know of the ~~that~~ holiday closure.

Sincerely yours

Kenneth Guss

CANADIAN PARAPLEGIC ASSOCIATION
ASSOCIATION CANADIENNE DES PARAPLÉGIQUES
Rehabilitation and Research for People with a Mobility Impairment

February 10, 1997

Mr. Dean Barrow
Senior Licensing Officer
City of Hamilton
71 Main St W
Hamilton, Ontario
L8N 3T4

Dear Mr. Barrow:

Please find enclosed our application for a licence to broadcast a TV Bingo through CHCH-TV Channel 11. This TV Bingo is proposed as an expansion of the TV Bingo currently in operation in Hamilton by the Ontario Brain Injury Association (OBIA) and represents a partnership between our two organizations.

The Canadian Paraplegic Association Ontario (CPA Ontario) is an incorporated, non-profit charitable association founded in 1979 to provide a wide variety of services to people living with mobility impairments in Ontario. The mission of CPA Ontario, "to support adults with mobility impairments to reach their potential and to live independently in the community", is achieved through the following activities:

- providing information to people with mobility impairments and their families
- offering counselling to assist people to live independent lifestyles
- helping people find jobs
- supporting research
- working to create social change through increased awareness and advocacy
- supplying attendant services for people to live independently.

CPA Ontario is part of the Canadian Paraplegic Association which was founded in 1945 by a group of World War II veterans with spinal cord injuries who were determined not to spend the rest of their lives in hospitals. Their efforts resulted in improved medical and rehabilitation services, better pensions, and most importantly, increased awareness in the community of their abilities and potential. CPA National office and all 10 provincial divisions are governed by independent boards of directors with a majority of directors having a mobility impairment. I have enclosed material describing CPA and CPA Ontario for your information.

Chairman:
T. Ian McLeod
Executive Director:
William K. Adair

Mr. Dean Barrow

Page No. 2

CPA Ontario places special emphasis on supporting people to return to work. With over 7% of the population living with a mobility impairment, success in this area has positive personal and economic outcomes. The extent of marginalization of people with mobility impairments is illustrated by the unemployment rate which is currently 75% in Canada. At CPA Ontario we know that the vast majority of people with mobility impairments share the desire and ability to be gainfully employed. In more than 50 years in the field of rehabilitation we have seen time and time again that disability need not prevent a person from working. Our clients have become successfully employed in a wide range of occupations such as: farming, medicine, computer programming, education and the arts. Investing in getting people back to work makes good business sense. In 1996, CPA Ontario placed 53 people in employment at an average salary of \$25,000. Not only did these individuals cease to rely on Employment Insurance, social assistance or insurance benefits, they became tax payers, contributing approximately \$8,000 each on an annual basis, leading to a total annual savings well over \$800,000. These savings grow exponentially for each year these individuals maintain employment.

CPA Ontario has a positive presence in the City of Hamilton and surrounding area and provides a range of services to support people with mobility impairments. Examples of our involvement include:

- serving 120 CPA Ontario members
- providing education workshops to patients in the Chedoke-McMaster Rehabilitation Centre
- providing information and referral services to people living in the community
- providing professional counselling services when requested to patients as they are discharged from Chedoke-McMaster Rehabilitation Centre
- working with a group in Hamilton to form a self- help peer support service for people in the rehabilitation centre and in the community
- working with the Chedoke-McMaster Rehabilitation Centre to open an office in Hamilton
- receiving financial support from over 1,000 donors in the Hamilton area.

CPA Ontario had a stronger presence in Hamilton up to 1990 when a financial crisis forced the closing of our Hamilton office. Over the past two years we have been working closely with Dr. Joanne Bugaresti, Medical Director at the Chedoke-McMaster Rehabilitation Centre to reopen this office in Hamilton as a partnership between CPA Ontario and the Chedoke McMaster Rehabilitation Centre.

CPA Ontario is proud to be developing this joint fundraising venture with OBIA. As the cause of brain injuries and spinal cord injuries are similar and our work has common features, we are working more closely in many areas. OBIA has invested a great deal of resources into the research and development of the current half hour TV Bingo broadcast on CHCH-TV Saturday mornings at 11:00. Our joint venture calls for CPA Ontario to hold a half hour TV Bingo from 11:30 - Noon on Saturdays, creating a joint presentation. We will be sharing in the management and revenue from the bingos and will depend heavily on the effective management systems already developed by OBIA. Funds raised will be directed to support the services of CPA Ontario and for expansion to areas

Funds raised will be directed to support the services of CPA Ontario and for expansion to areas which are underserved.

We look forward to joining with the City of Hamilton, OBIA, CHCH and the citizens of Hamilton in delivering a responsible, effective fundraising venture in Hamilton. Please feel free to call on me if you have questions.

Yours sincerely,

CANADIAN PARAPLEGIC ASSOCIATION
ASSOCIATION CANADIENNE DES PARAPLÉGIQUES
Rehabilitation and Research for People with a Mobility Impairment

February 10, 1997

Mr. Dean Barrow
Senior Licensing Officer
City of Hamilton
71 Main St W
Hamilton, Ontario
L8N 3T4

Dear Mr. Barrow:

Please find enclosed our application for a licence to broadcast a TV Bingo through CHCH-TV Channel 11. This TV Bingo is proposed as an expansion of the TV Bingo currently in operation in Hamilton by the Ontario Brain Injury Association (OBIA) and represents a partnership between our two organizations.

The Canadian Paraplegic Association Ontario (CPA Ontario) is an incorporated, non-profit charitable association founded in 1979 to provide a wide variety of services to people living with mobility impairments in Ontario. The mission of CPA Ontario, "to support adults with mobility impairments to reach their potential and to live independently in the community", is achieved through the following activities:

- providing information to people with mobility impairments and their families
- offering counselling to assist people to live independent lifestyles
- helping people find jobs
- supporting research
- working to create social change through increased awareness and advocacy
- supplying attendant services for people to live independently.

CPA Ontario is part of the Canadian Paraplegic Association which was founded in 1945 by a group of World War II veterans with spinal cord injuries who were determined not to spend the rest of their lives in hospitals. Their efforts resulted in improved medical and rehabilitation services, better pensions, and most importantly, increased awareness in the community of their abilities and potential. CPA National office and all 10 provincial divisions are governed by independent boards of directors with a majority of directors having a mobility impairment. I have enclosed material describing CPA and CPA Ontario for your information.

Chairman:
T. Ian McLeod
Executive Director:
William K. Adair

CPA Ontario places special emphasis on supporting people to return to work. With over 7% of the population living with a mobility impairment, success in this area has positive personal and economic outcomes. The extent of marginalization of people with mobility impairments is illustrated by the unemployment rate which is currently 75% in Canada. At CPA Ontario we know that the vast majority of people with mobility impairments share the desire and ability to be gainfully employed. In more than 50 years in the field of rehabilitation we have seen time and time again that disability need not prevent a person from working. Our clients have become successfully employed in a wide range of occupations such as: farming, medicine, computer programming, education and the arts. Investing in getting people back to work makes good business sense. In 1996, CPA Ontario placed 53 people in employment at an average salary of \$25,000. Not only did these individuals cease to rely on Employment Insurance, social assistance or insurance benefits, they became tax payers, contributing approximately \$8,000 each on an annual basis, leading to a total annual savings well over \$800,000. These savings grow exponentially for each year these individuals maintain employment.

CPA Ontario has a positive presence in the City of Hamilton and surrounding area and provides a range of services to support people with mobility impairments. Examples of our involvement include:

- serving 120 CPA Ontario members
- providing education workshops to patients in the Chedoke-McMaster Rehabilitation Centre
- providing information and referral services to people living in the community
- providing professional counselling services when requested to patients as they are discharged from Chedoke-McMaster Rehabilitation Centre
- working with a group in Hamilton to form a self- help peer support service for people in the rehabilitation centre and in the community
- working with the Chedoke-McMaster Rehabilitation Centre to open an office in Hamilton
- receiving financial support from over 1,000 donors in the Hamilton area.

CPA Ontario had a stronger presence in Hamilton up to 1990 when a financial crisis forced the closing of our Hamilton office. Over the past two years we have been working closely with Dr. Joanne Bugaresti, Medical Director at the Chedoke-McMaster Rehabilitation Centre to reopen this office in Hamilton as a partnership between CPA Ontario and the Chedoke McMaster Rehabilitation Centre.

CPA Ontario is proud to be developing this joint fundraising venture with OBIA. As the cause of brain injuries and spinal cord injuries are similar and our work has common features, we are working more closely in many areas. OBIA has invested a great deal of resources into the research and development of the current half hour TV Bingo broadcast on CHCH-TV Saturday mornings at 11:00. Our joint venture calls for CPA Ontario to hold a half hour TV Bingo from 11:30 - Noon on Saturdays, creating a joint presentation. We will be sharing in the management and revenue from the bingos and will depend heavily on the effective management systems already developed by OBIA. Funds raised will be directed to support the services of CPA Ontario and for expansion to areas

Funds raised will be directed to support the services of CPA Ontario and for expansion to areas which are underserved.

We look forward to joining with the City of Hamilton, OBIA, CHCH and the citizens of Hamilton in delivering a responsible, effective fundraising venture in Hamilton. Please feel free to call on me if you have questions.

Yours sincerely,

2. 81.10.26 Stephen Jones

*U. Rose for
J.J. Schatz*

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

The fees are \$200.

BACKGROUND:

Gerald McRoberts and Stephen Jones have been on the Taxicab Priority List since 1979 and 1981, respectively. The yearly fee for maintaining a name on the Priority List is \$60, prior to October 1, and \$100 for the last three months of the year.

Staff misunderstood the applicants and their names were renewed on the Priority List for 1997 and not 1996. Subsequently, these names were removed from the 1996 Priority List.

Each applicant has submitted a letter of explanation and have paid the additional renewal fee of \$40 for late payment. We are recommending that Mr. McRoberts and Mr. Jones be reinstated on the Taxicab Priority List.

REPORT TO: Mrs. Stella Glover, Secretary
Licensing Committee

FROM: Mr. J. J. Schatz
City Clerk

SUBJECT: Disbursement of Bingo Proceeds for an Unlicensed Bingo
Lottery Event - Conway Opportunity Homes Inc.

RECOMMENDATION:

That Conway Opportunity Homes Inc. be permitted to retain the net proceeds from an unlicensed bingo lottery event, held December 23, 1996, upon payment of the appropriate licence fee.

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

The licence fee is \$165.

BACKGROUND:

Conway Opportunity Homes is a registered non-profit charitable organization which provides and promotes non-profit residential housing, as well as a stable living environment and treatment program for persons with disabilities. It is licensed to conduct bingo lottery events on a weekly basis at the Princess Bingo Hall, Hamilton. In 1996, it was licensed to hold 52 bingos, in accordance with the Provincial Terms and Conditions, respecting the number of bingo events a charity is permitted to conduct.

On December 23, 1996, this organization held a bingo which was not licensed and was the 53rd bingo event for 1996. Donna Boyce, Bingo Manager, Conway Opportunities Home, explained that the violation was caused as the result of a scheduling mistake with the hall and the extra event had not been noticed. She requested our assistance in the disbursement of the proceeds for this event.

The Provincial Lottery Licensing Policy Manual states that a municipality has the authority to licence a charitable or religious organization to conduct more events than the maximum number permitted, if there is a clearly established need. In accordance with the above, it is recommended that Conway Opportunity Homes pay the licence fee for the unlicensed bingo event and retain the net proceeds for its various charitable programs.

CITY OF HAMILTON
- RECOMMENDATION -

DATE: 1997 May 5

REPORT TO: Mrs. Stella Glover, Secretary
Licensing Committee

FROM: Mr. J. J. Schatz
City Clerk

SUBJECT: Disbursement of Raffle Prize - Hillpark Secondary School, 50/50 Draw

RECOMMENDATION:

That Hillpark Secondary School be permitted to retain the prize of \$1,900 from the 50/50 Draw conducted at Copp's Coliseum on February 21, 1997, in accordance with the Provincial Terms and Conditions which requires that the prize be retained for one year in the organization's raffle lottery trust account.

*Douglas Ross
for
J.J. Schatz*

FINANCIAL/STAFFING/LEGAL IMPLICATIONS: N/A

BACKGROUND:

Please be advised that on February 21, 1997, Hillpark Secondary School was licensed to conduct a 50/50 Draw, Raffle Licence # M464384, at Copp's Coliseum, during a Bulldog Hockey Game. The School's Parent Association was in charge of selling the tickets.

It appears that the winning ticket, number 89, was not only won by a parent who was selling tickets but she also put both halves of the winning ticket into the draw container. This individual could not prove that she had bought the winning ticket: she had sold herself 3 consecutive tickets and inadvertently thrown both halves of No. 89 into the drum. No other person claimed the prize after the winning number was announced.

Mr. Barry Detunbuk, Hillpark Parent Association, stated that the seller realized that she did not have a claim to the prize since she could not produce a winning stub. The management of the Bulldog Hockey Association informed him that only one draw could take place, the winning ticket must be published in the local newspaper and the municipality would decide how the prize money would be disbursed.

Staff informed Mr. Detunbuk that sellers cannot purchase their organization's lottery tickets. It is considered a conflict of interest and the lottery can be perceived as being fraudulent. The Provincial Terms and Conditions, respecting a raffle lottery events, states the following:

- 6.3 Any prizes which are not claimed shall be secured or placed in safekeeping for a period of one year from the date of the draw. If at that time the prize has still not been claimed, the prize or money equivalent to the fair market of the prize shall be donated to a beneficiary approved by the licensing authority.

Staff recommend that the school be permitted to retain the prize money and be used for its' various school programs.

A. DELEGATION

Mr. Khalil Zourob expressed his concern to the Committee regarding the lengthy waiting period for issuance of a taxi cab licence from the Taxi Priority List. Mr. Zourob is tenth on the Priority List and has been waiting for 21 years. Mr. Zourob suggested that two or three licences be issued each year. He also recommended stricter enforcement of the existing taxi cab regulation.

Doug Rose, the Chief Licence Inspector, advised the Committee that he and his staff had reviewed the current situation with respect to the issuance of more taxi cab licences. He had concluded that there is not a need to issue more licenses, as the taxi cab industry in Hamilton is saturated.

Committee Member, Alderman Eisenberger, suggested the issue be reviewed and recommended that the Taxi Advisory Committee be consulted. The Chairperson directed staff to prepare a report, examining the provincial legislation with respect to this issue.

1. ADOPTION OF MINUTES

The minutes of the Licensing Committee meeting held 1997 May 4 were adopted as presented.

2. RATIFICATION OF LICENSES ISSUED

DATE: 1997 September 29

REPORT TO: Ms. Debbie-Ann Rashford
Secretary, Licensing Committee

FROM: Mr. J. J. Schatz
City Clerk

SUBJECT: Third Occurrence - Violation of the Lottery Terms and Conditions

RECOMMENDATION:

That the following Bingo Lottery Sponsors be requested to appear before the Licensing Committee to review the status of their lottery licence:

- a) Corpus Christie School
- b) Hamilton Central Lion's Youth Organization
- c) Hamilton-Wentworth Aquatic Club
- d) Saint Vladimir Ukrainiam Self-Reliance Association

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

1. Organizations who do not comply with the Provincial Lottery Terms and Conditions will receive a First Warning Letter. This letter will be sent to the two designated members in charge of the lottery.

2. If there is a second occurrence, a Second Warning Letter will be sent which states that the Licensing Committee will be notified of the violation and that a further occurrence may result in the licence being revoked.
3. On the third occurrence, the Licensing Committee will be advised of the violation and a Hearing will be requested to review the status of the lottery licence.

In the City of Hamilton, the most common violation of the Terms and Conditions is the organization's failure to submit lottery financial reports in a timely fashion. Financial reports for Bingo lottery events must be submitted within 15 days of the events. It is also a requirement that Bingo and Break Open Ticket licensees submit a photocopy of their monthly bank statements and cancelled cheques from their lottery trust account in order that staff can monitor the proper use of the proceeds. Charities have continued to ignore the letters, requesting this information.

In addition to the three notices of violation for late financial reports, Corpus Christie School, Hamilton Central Lion's Youth Organization, Hamilton-Wentworth Aquatic Club, and Saint Vladimir Ukrainiam Self-Reliance Association have also received notices for failing to submit monthly cancelled cheques and bank statements for the bingo trust account.

A. DELEGATION

Mr. Khalil Zourob expressed his concern to the Committee regarding the lengthy waiting period for issuance of a taxi cab licence from the Taxi Priority List. Mr. Zourob is tenth on the Priority List and has been waiting for 21 years. Mr. Zourob suggested that two or three licences be issued each year. He also recommended stricter enforcement of the existing taxi cab regulation.

Doug Rose, the Chief Licence Inspector, advised the Committee that he and his staff had reviewed the current situation with respect to the issuance of more taxi cab licences. He had concluded that there is not a need to issue more licenses, as the taxi cab industry in Hamilton is saturated.

Committee Member, Alderman Eisenberger, suggested the issue be reviewed and recommended that the Taxi Advisory Committee be consulted. The Chairperson directed staff to prepare a report, examining the provincial legislation with respect to this issue.

1. ADOPTION OF MINUTES

The minutes of the Licensing Committee meeting held 1997 May 4 were adopted as presented.

- (b) That the matter of the North End Children's Centre Show Cause Hearing be tabled until further notice, pending proposed meetings with representatives of the Burlington, Hamilton-Wentworth United Way and financial officials of the North End Children's Centre, to review and organize the financial structure of the Centre, with specific focus on the Centre's Bingo Lottery Events.

City of Hamilton Licensing Committee**

2(a)

CITY OF HAMILTON
- RECOMMENDATION -

DATE: 1997 September 29

REPORT TO: Ms. Debbie-Ann Rashford
Secretary, Licensing Committee

FROM: Mr. J. J. Schatz
City Clerk

SUBJECT: Third Occurrence - Violation of the Lottery Terms and Conditions

RECOMMENDATION:

That the following Bingo Lottery Sponsors be requested to appear before the Licensing Committee to review the status of their lottery licence:

- a) Corpus Christie School
- b) Hamilton Central Lion's Youth Organization
- c) Hamilton-Wentworth Aquatic Club
- d) Saint Vladimir Ukrainiam Self-Reliance Association

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

Some increase in the workload for existing staff.

BACKGROUND:

As you may recall, on October 11, 1995, the Licensing Committee adopted the following policy, respecting violation of Lottery Terms and Conditions:

1. Organizations who do not comply with the Provincial Lottery Terms and Conditions will receive a First Warning Letter. This letter will be sent to the two designated members in charge of the lottery.

2. If there is a second occurrence, a Second Warning Letter will be sent which states that the Licensing Committee will be notified of the violation and that a further occurrence may result in the licence being revoked.
3. On the third occurrence, the Licensing Committee will be advised of the violation and a Hearing will be requested to review the status of the lottery licence.

In the City of Hamilton, the most common violation of the Terms and Conditions is the organization's failure to submit lottery financial reports in a timely fashion. Financial reports for Bingo lottery events must be submitted within 15 days of the events. It is also a requirement that Bingo and Break Open Ticket licensees submit a photocopy of their monthly bank statements and cancelled cheques from their lottery trust account in order that staff can monitor the proper use of the proceeds. Charities have continued to ignore the letters requesting this information.

In addition to the three notices of violation for late financial reports, Corpus Christie School, Hamilton Central Lion's Youth Organization, Hamilton-Wentworth Aquatic Club, and Saint Vladimir Ukrainiam Self-Reliance Association have also received notices for failing to submit monthly cancelled cheques and bank statements for the bingo trust account.

Dear Ms. Rashford:

The Council of the Corporation of the City of Hamilton will be considering the appointment of citizens to the following Committees, Local Boards and Commissions:

Arts Advisory Commission
Canadian Football Hall of Fame and Museum Management Committee
Central Area Plan Implementation Committee
City of Hamilton Licensing Committee
Committee of Adjustment
Court of Revision (Region)
Hamilton Entertainment and Convention Facilities Inc.
Hamilton Farmers Market Sub-Committee
Hamilton Historical Board
Hamilton Region Conservation Authority
Hamilton Status of Women Sub-Committee
Keep Hamilton Clean Committee
Local Architectural Conservation Advisory Committee
Mayor's Advisory Council Against Racism and Discrimination
Mayor's Committee Against Racism and Discrimination
Municipal Non-Profit (Hamilton) Housing Corp./Hamilton Housing Company Limited
New Mum Show Sub-Committee
Property Standards Committee

Orientation Sessions for citizens interested in serving on the above-noted Committees, Local Boards and Commissions will be held as follows:

Monday, 1997 November 24	- 10:00 a.m.	City Council Chambers
Monday, 1997 November 24	- 7:00 p.m.	City Council Chambers
Wednesday, 1997 November 26	- 7:00 p.m.	City Council Chambers

The purpose of the one-hour Orientation Session is to familiarize all applicants with the Committees' Terms of Reference, to better understand the commitment required by successful candidates, and to provide a forum where their questions with respect to these Committees can be answered.

Once again, City Council is requesting your assistance with these Orientation Sessions by providing the following:

- (a) have a representative from the Licensing Committee or a Staff resource person attend all three of the Orientation Sessions to make a 5 minute presentation outlining your Committee's mandate, Terms of Reference, meeting dates, time commitment involved and to provide any other general information about your Committee which might be helpful to those applying for membership; and,
- (b) supply sufficient copies of your Committee's mandate, Terms of Reference, meeting dates, etc. for distribution to interested parties following the Orientation Sessions and to be on hand to respond to any enquiries that may arise. One table and one chair will be provided for each Committee on 2nd floor foyer outside the Council Chambers, City Hall for this purpose. Should you require additional chairs, etc. please let us know; and,
- (c) have one member of the Licensing Committee or a Staff resource person appointed to sit in as a non-voting resource person when the Selection Committee meets to interview all applicants in early 1998 January.

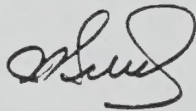

It would be appreciated if you could advise Mrs. Charlene Touzel, Legislative Assistant, at 546-3994 by Wednesday, 1997 November 12 of the name of your Committee representative for the three Orientation Sessions and Selection Committee interviews.

I would also like to bring to your attention that City Council at its meeting held 1997 September 30 approved that the Terms of Office for all existing citizen members of the various City Committees, Local Boards and Commissions expiring at the end of 1997, be **extended until 1998 February 10**, or until their successors are appointed, to allow the Committees, Local Boards and Commissions to function until such time as the newly elected Council has had an opportunity to undertake the necessary actions to fill these vacancies.

It would also be appreciated if you could advise those members of your Committee, Local Board or Commission, whose term of office expires at the end of 1997, to contact Mrs. Touzel to obtain an application form if they are interested in applying for renewal of their present appointment.

Your co-operation in this regard is most appreciated.

Yours truly,
